

MarvellousMe Data Refresh 2024/2025

Use the below to be directed to the most suitable data refresh method for your school.

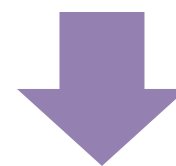

Are you a large school with > 300 children?

Yes

We recommend you follow the **BULK DATA** method.
Click [HERE](#) for full details.

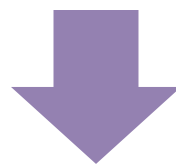

No

Do your classes transition fully to the new year class, without mixing the children up?

Yes.

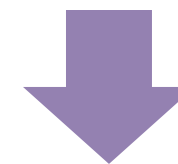

Our transition is simple:
Rec goes to Y1, Y1 to Y2 etc.

We recommend you follow the **TRANSITION** method.
Click [HERE](#) for full details.

No.

Our new classes are made from
a mix of last year's classes.

We recommend you follow the **BULK DATA** method.
Click [HERE](#) for full details.
